

HydroEx

Non-destructive vacuum excavation

PRECISION • SAFETY • ECONOMY

WHO WE ARE

Incorporated in Puerto Rico since 2003, HydroEx Corp. provides expertise in safe and precise hydro excavation services, utilizing specialized equipment and trained operators.

WHAT MAKES US DIFFERENT

Non-destructive excavation, with water and vacuum suction, that locates underground utility lines prior to digging. This innovative technology eliminates the uncertainty and risk of damaging utilities in sensitive and difficult to reach areas.

CORE COMPETENCIES

Hydro excavation
Utility locating
Potholing / Trenching
Foundations
Underground visual identification
Remote excavation
Material removal
